Independent Accountants' Review Report

We have reviewed the accompanying statement of financial position of Repheka Haiti, Inc. (a nonprofit organization) as of December 31, 2011 and the related statements of activities functional expenses and cash flows for the year then ended.

A review includes primarily applying analytical procedures to management's financial data and making inquiries of Repheka Haiti, Inc's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements taken as whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Repheka Haiti, Inc.
Notes to Financial Statements
December 31, 2011

1. *Nature of Activities*

Repheka Haiti, Inc. (the Corporation) was organized in September 2010 as a Massachusetts non-profit corporation. Its primary purpose is to provide affordable quality health care to the people of Haiti and to advance the impact of the Gospel of Jesus Christ for people living in distressed communities by improving their health outcomes through partnership with local churches and community based organizations. The Corporation operates two health clinics in Haiti pursuing a patient – centered approach to health care at reduced charges to patients at the lowest levels possible. The Corporation's primary sources of revenue are foundation contributions and patient charges.

2. *Summary of Significant Accounting Policies*

Accounting Method

The Corporation's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial Statement Presentation

The Corporation presents its financial statements under three classes of net assets: unrestricted, temporarily restricted and permanently restricted. The Corporation had no temporarily or permanently restricted net assets at December 31, 2011.

Revenue Recognition

Program revenue is recognized as service is provided and patients are charged. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Property and Equipment

Property and equipment are stated at cost. Major improvements and betterments to existing property are capitalized. Expenditures for maintenance and repairs which do not extend the lives of the applicable assets are expensed as incurred. Depreciation is computed on the straight-line method over the estimated useful lives of the assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

2. *Summary of Significant Accounting Policies - Continued*

Income Taxes

The Corporation is exempt from income taxes as a non-profit corporation under Section 501(c)(3) of the U.S. Internal Revenue Code and is also exempt from state income taxes, except for income taxes on unrelated business income, if any. For the year ended December 31, 2011, the Corporation had no unrelated business income subject to income taxes. Accordingly, no provision for income taxes has been included in these financial statements.

The Corporation evaluates tax positions taken or expected to be taken in its tax returns to determine whether the tax positions are more-likely-than-not of being sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold, along with accrued interest and penalty thereon would be recorded as an expense in the current year financial statements. At December 31, 2011 the Corporation believes that it has no uncertain tax positions within its open tax year, (2010).

Functional Expenses

The costs of providing program services and administration have been summarized on a functional basis. Accordingly, certain costs have been allocated based on direct charges and personnel time estimates.

Accounting for Planned Major Maintenance Activities

The Corporation uses the direct expensing method to account for planned major maintenance activities, under which actual costs incurred are expensed directly when maintenance is performed.

3. *Leases*

During 2011 the Corporation entered into lease agreements for its program facilities in Haiti which expire in 2012. Rent expense for the year ended December 31, 2011 was \$2,400. The future minimum lease payments due during 2012 total \$11,700.

4. *Concentration*

The Corporation's 2011 contribution income includes of one grant made by HaitiServe Foundation in the amount of \$182,500 representing 90% of total revenue for 2011. HaitiServe Foundation has continued to provide significant funding of the Corporations activities through 2012. Although there is no indication that this funding will not continue, discontinued contributions from this single donor would significantly impact future operations.

5. *Subsequent Events*

The Corporation has performed an evaluation of subsequent events through November 5, 2012, which is the date the Corporation's financial statements were available to be issued. No material subsequent events have occurred since December 31, 2011 that required recognition or disclosure in these financial statements.
